1. (C) Poloff delivered reftel demarche to Director Charn Jullamon and Nichamon Agrasuta of the Ministry of Foreign Affairs' Peace, Security, and Disarmament Division. The Thai government was still working out internally which agency would represent Thailand on the OPCW Executive Council (EC) and had not yet reached an official position between the interested ministries. Nichamon complained that the meeting agenda had not been sent in advance to the new EC members and that they were scrambling to prepare for the meeting. The Thai delegation will include a senior official from the Ministry of Industry and officials from the Thai Embassy at The Hague.
